[Dr. Brandi Hurwitz](#) (practice limited to Internal Medicine) and [Dr. Nina Malik](#) (Acupuncture) give your Pet the best of both worlds.

We are one of the few veterinary hospitals in the country with a board certified anesthesiologist and also have a fantastic board certified cardiologist available. Learn more at [anesthesiology](#).

We are conveniently located right on the boarder between Nassau and Suffolk counties in Farmingdale, New York on Long Island.

If your dog or cat is sick or injured unexpectedly or if your regular veterinarian feels they require specialized diagnostics, we are here to help.

We even have Rehabilitation and hydro-therapy for post surgical patients as well as muscle conditioning and weight control.

We are committed to providing the best client service possible and to continually improve on it. Please help us by completing our Customer Survey. Also check out our new section of Client Handouts.

Disclaimer:

“Lisa Taylor-Austin believes there was merit to her claims that Dr. Deforge negligently cared for her cat, Simba, and that he misrepresented whether he was a Board-certified dental specialist. Dr. Deforge denies these claims and asserts that the Department of Public Health’s veterinary board cleared him of any wrong doing. However, Dr Deforge agreed to pay \$7,500.00 to compensate Ms. Taylor-Austin because he believed the risks inherent in any lawsuit and the cost of missing two weeks from his practice made it imprudent to go to trial.”

Note: My guardian’s costs for my medical care and all legal avenues exceeded \$20,000.
