Disclaimer:

“Lisa Taylor-Austin believes there was merit to her claims that Dr. Deforge negligently cared for her cat, Simba, and that he misrepresented whether he was a Board-certified dental specialist. Dr. Deforge denies these claims and asserts that the Department of Public Health’s veterinary board cleared him of any wrong doing. However, Dr Deforge agreed to pay \$7,500.00 to compensate Ms. Taylor-Austin because he believed the risks inherent in any lawsuit and the cost of missing two weeks from his practice made it imprudent to go to trial.”

Note: My guardian’s costs for my medical care and all legal avenues exceeded \$20,000.
