

B2

**Medicines:**

- **Disp. Gabapentin 100mg- ½ capsule twice daily in canned blenderized food #20**
- **Disp. Baytril 22.7mg- ½ tab crushed in a mortar and pestle and mixed in blenderized food #21 - twice daily**
- **Rx: Solgar Advanced Acidophilus—add contents of one capsule twice daily to a small amount of Elegant Medalies Fancy Feast Canned food 1 hour before antibiotics given**

**See Post Oral Surgery Enclosure**

**Teeth #304/404 may impinge on the upper lips and must be monitored for the next 90 days; if this occurs crown shortening with vital Pulpotomy is recommended. Dr. DeForge will provide estimates if this is necessary.**

**Thank you,  
Dr. Don DeForge  
Director  
16December2008**

Disclaimer:

“Lisa Taylor-Austin believes there was merit to her claims that Dr. Deforge negligently cared for her cat, Simba, and that he misrepresented whether he was a Board-certified dental specialist. Dr. Deforge denies these claims and asserts that the Department of Public Health’s veterinary board cleared him of any wrong doing. However, Dr Deforge agreed to pay \$7,500.00 to compensate Ms. Taylor-Austin because he believed the risks inherent in any lawsuit and the cost of missing two weeks from his practice made it imprudent to go to trial.”

Note: My guardian’s costs for my medical care and all legal avenues exceeded \$20,000.
